Caleb: Next week.
me: any idea what day?
Caleb: June 8th.
Caleb: Tuesday.
Caleb: Week from today.
Caleb: Next week.
me: fag
me: you know that "next week" can refer to any day within a period of seven days, right?
me: anywho
me: you want to pick me up from Dallas?
me: or
me: whatever?
Caleb: I'd just as soon not have to spend any time in Dallas that I don't have to.
me: sure you would
me: I'm not asking you to run for city council
Caleb: It's a slippery slope
me: yet
Caleb: When are you flying in?
me: the 4th
Caleb: Hey, that's Friday.
Caleb: Why don't you just change your ticket such that you fly into Tyler?
me: is that possible?
Caleb: We have an airport.
me: to change a ticket without additional fees
Caleb: You'd probably fly into Dallas and then switch to some 20-seater prop plane.
Caleb: Just like Indiana Jones!
Caleb: It'll be an adventure!
Caleb: Just like Indiana Jones!
Caleb: Fine, I'll pick you up.
Caleb: But Mommy better throw in a little gas money.
me: she will
me: plus
me: I'll buy you stuff
Caleb: Pretty stuff?
me: YES
Caleb: Push-over.
Caleb: It's a date.

Caleb: Now I'm gonna go smoke.
me: Have fun!
